INCOME TAX PREPARATION AND OR BOOKKEEPING AGREEMENT - IMPORTANT!!! SIGN BELOW!!!

We will prepare your Federal and State Tax Returns and or provide Bookkeeping services from the information you furnish to us. We will not audit or otherwise verify the data you submit, although we may ask you to clarify some of the information.

The Internal Revenue Code requires that you have documentation for all your deductions, your signature indicates your compliance with those requirements. You have the final responsibility for the handling of each item on the return and the overall correctness of the return.

Your Tax returns are, of course, subject to review by the taxing authorities. It is your responsibility to be able to provide all and any records supporting the information on your Tax return, for generally up to 7 years. Billing for all services regarding IRS resolution will be based on the nature of services performed at that time.

Your payment is for Tax services provided and is due at the time of completion and at the time the Return is picked up by client or representative of client. Fees are calculated based on the number of Forms completed, considering the amount of time spent by the individual(s) involved, any special level of expertise required, and the size and scope of matters involved. Electronic Filing is included in price of a Tax Return. If the above fairly sets forth your understanding of our service arrangement, please sign this Agreement....

The information and documents that I have provided to Tomah Tax Station for the preparation of my 2022 Federal and State Tax returns are true and correct, to the best of my knowledge. This confirms the Terms and Objective of our engagement, and the nature and limitations of the income Tax or Bookkeeping Services that Michelle Radcliffe, or other Representative/Tomah Tax Station will provide to you.
